# DEDICATION

Mr. Robert Wing, a prominent figure in Modesto schools for many years, came to Davis High School at its conception and since that time has pioneered such extra-curricular singing groups as the Gracenotes, the Spartones, and the Madrigal Choir. He has constantly brought the highest honors achievable in vocal music competition to Davis High School, and has, by his very presence here, earned for the school and the city of Modesto a reputation ranking at the very top of musical endeavor in the state of California.

Realizing that we cannot properly thank him for all he has done for us, the 1965 Olympian is respectfully dedicated, as a symbol of our gratitude, to Mr. Wing.

I got  
a nice girl, with  
a great personality  
that I can  
and you're all

Always keep  
smiling!

Love you  
John

# PRINCIPAL'S MESSAGE

The Class of 1965 is the first class to spend all four years on our Davis campus. This class has seen Davis grow from a school of 800 to one of 2000. Grace Davis has come into its own while the Class of '65 has been with us. During its time all of the major areas of specialization have been added. We have become a full-fledged institution in the community, being recognized for accomplishment in both the academic and the extra-curricular fields. Of major importance has been the help of this senior class in the establishment of traditions of good sportsmanship and fair play, excellence and craftsmanship, and strong interest in activities and school affairs.

In future time beyond graduation, there will continue to be challenges. These challenges will include active citizenship and involvement in local, national, and world affairs, continued education, training, or re-training in a complex technical world, and finding a meaningful place in a "greater society." It is our hope that each graduate will be better able to meet these challenges because of his stay at Davis High School.

To the juniors who have shared so many of the experiences with our seniors is bequeathed the responsibility for being tops in leadership, a responsibility for keeping up the "go power" of achievement. The Class of 1965 has continued to set the pace for a tradition of excellence which must now be passed along to juniors, sophomores, and freshmen in turn.

Good luck to the Class of 1965. Grace Davis High School is proud of your efforts and accomplishments.

- Frank -

Well, I have so much to tell you, I guess it will use up the whole page. You are the most beautiful girl I know, and it's too bad that no one will ever marry you. Just think of all your beauty going to waste!! What a pity!

Be a good girl this summer and remember our times with Miss Tonge, (THE HEN), when you are lonely. (Maybe if you wear more dresses of FERRI-WINKLE BLUE PAISLEY you won't get lonesome at all!!)

I'm only kidding because I know for ~~the~~ fact that the Dean Miss Tonge turned down, as she wore that "beautiful" dress, has spent his life searching for you!

Love you always,  
even though I stand alone in my  
cause,  
René (with gray  
hair even)

Prang -

I just couldn't resist your year-  
Book. I had to sign it ONE  
AGAIN. TO LET you in on some vital  
infor. It is assumed that the earth  
is at least 5!! Billion! years old. It  
possibly originated as billions of small,  
solid particles united in a dust storm.  
The assumptions of the heterotroph hypo.  
suggest the following sequence. Primitive  
earth contained dust (as on the tables in your  
house), hydrogen, water vapor (the steam you  
let off when you take an algebra test,  
methane (from radiation when you radiate at  
a boy) + ammonia (shall not discuss that nasty  
subject).

Now that I have presented my  
hypo. I shall leave you in rest  
to figure it out. WHEN you do clue  
me in. OKY DOKY.

**ACTIVITIES** Love Always

Coach Gonsalves confers with Dave Bengston during a crucial point in the Turlock game.

A good coaching staff is essential for victory in the brutal C.C.C. and Davis has consistently had one of the finest coaching staffs in the city of Modesto. Through defeat and triumph, the coaches helped provide the extra drive that the team needed to make the big play or to hold the opponents in times of crisis. Head Coach Dan Gonsalves and his staff helped to guide our team through the rough spots during the season and without them, the story might have been a very different one.

## Varsity Football "64"

Ten times this year our team charged onto the field and seven times they left the field victorious. From the shaky season opener at Oakdale (7-6, Davis) to the crowning glory against Downey (13-12, Davis) the team showed a determination to get down and do a job well.

The green-helmeted Spartan gridders put on a season that everyone at Davis has reason to be proud of. After Oakdale, the team beat Merced 10-0 and then lost to Turlock at Turlock. Then they faced the Stagg Delta Kings and lost the conference opener 38-6. Stunned by this defeat, the team bounced back to beat Modesto the next week, 21-0 in a big win for the Spartans.

Following the big win over Modesto, Davis beat Edison 14-7 at Stockton. The game was climaxed by Ernie Bawanan's 48 yard pass to Tom Hanley for the winning six points in the last 58 seconds. The next week, October 29, Turlock again beat the Spartans, this time 13 to 10. Lodi, leading the league, was the next opponent of the Spartans. With 10 seconds left in the fourth quarter, Bawanan passed to Abby in the endzone. Paul dropped the ball and there were 7 seconds left and no timeouts. Ernie passed a sideline to Tom Hanley and Hanley took a giant step into the endzone. With the stands falling apart in excitement, Bawanan then kicked the ball betwixt the uprights and Davis went home with the win. Ball control helped the Spartans defeat Franklin the next week by the score of 27-21.

The big Homecoming game against Downey was again a must win for the Spartans because they needed to beat Downey in order to win the City Championship. The final score of 13-12 was brought about by a touchdown run by Pitta and an extra point by Bawanan. Jim Allred made the best play of the game, blocking Downey's extra point attempt to wrap the game up for Davis.

Davis wound up second in the league due to the fine team we had this year. Behind Bawanan at quarterback were the ends, Knipple and Abby, and the halfbacks, Upton, Hanley, and Pitta. The line was anchored by Mike Badzioch at center and his brother Tony and Chris Oleson at tackle, Williams and DeLano at guards. Also helping in the line were Beals, Booth, and Carlson.

On defense were Booth, Beals, and DeLano at linebackers, Allred, Oleson, Badzioch, and Williams in the line, and Brink, Upton, Bawanan, and Pitta in the backfield. Also helping out were Prokes, Begin, Campos, and Francis. The defensive team must be complimented for there were several times that they held the offense when a big drive seemed in the offing. Enemy linemen were run over with such regularity, some of them wondered if the game was being played in the MJC stadium or on Highway 99. The offensive line deserves credit also. Without them to open the holes for the backs to sprint through, Bawanan and the rest would have spent much more time on the seat of their pants than they did.

When the season opened, several Valley newspapers called Davis the "babies" of the league. In spirit and determination the Spartans proved them wrong and gave all of us a season to be proud of.

Strong offensive platoons, coupled with stalwart defense provided most of the season's points. The able coaching of Dean Laun and Roger Fisher guided the boys to their high league standing. They are certain of future success as varsity gridders.

# Varsity Basketball

Davis Varsity basketball season was one of ups and downs and gave some real thrills during the year. The Spartans beat all of their opponents at least once and some of them twice. The real big game of the year was the thrilling contest against Stagg when the Spartans overcame the Delta Kings to win it, 51-50. Following this game came a period of letdown as Davis lost to Downey, Edison, Franklin, Stagg and Modesto. The Spartans came out of this slump to whip Turlock and then in the final game of the season, steal victory from the grasp of Downey to wind up tied for second in the league.

The Davis team set up an impressive string of victories in the first half of the season, losing to none after Oakdale. The team took the championship in the Modesto Tournament and fired by this victory, they won their next 8 games. The big men throughout the season were the starting five, Bawanan, Pitta, Rhodes, Meyers, and Abbey. Of course, the biggest man on the team was Tom Zimmerman. Tom didn't get into many games throughout the year but when he did, everyone cheered him on to one of his famous "dunks" as he'd leap into the air and stuff the ball through the net with both hands. Another one of the highlights of the year would have to be Ernie Bawanan and his bubble gum. When Ernie got mad he didn't turn red, he just chewed his gum faster. Occasionally, during free throws for the opposing team, Ernie usually just watched and blew bubbles, but when he got the ball he was all business and was a valuable asset to the team.

Through victory and through defeat, the Varsity team bore the name Spartans proudly and turned in a wonderful basketball season. Coach Parrill and his boys are to be congratulated for a fine year.

Davis had one of the best wrestling teams of its history this year as the wrestlers fought hard and came out tied with Turlock for the CCC championship with a 9-1 rating. The wrestlers experienced one of their best seasons on the dual meet basis. The Spartans won three matches, lost to Turlock, and then won nine straight to attain their league tying finish. Credit goes to coaches Gonsalves and Giovannoni for their guidance throughout the entire season.

An early deadline for the yearbook made it impossible to give more coverage of baseball action but the team showed promise of a winning season in the first two games. Summer -  
 I'm sorry

 Really love it

 sophmores here  
 So I sure hope  
 to see ya this  
 summer and next  
 Always,  
 Karen

Head Coach, Harold Govett

Though a brand new sport at Davis this year, swimming took on an important place in the spring sports parade. Hampered by lack of a pool, the Downey pool was used along with the MJC pool for practice and meets. Coach Govett and his boys worked hard this year and made swimming a big sport at Davis.

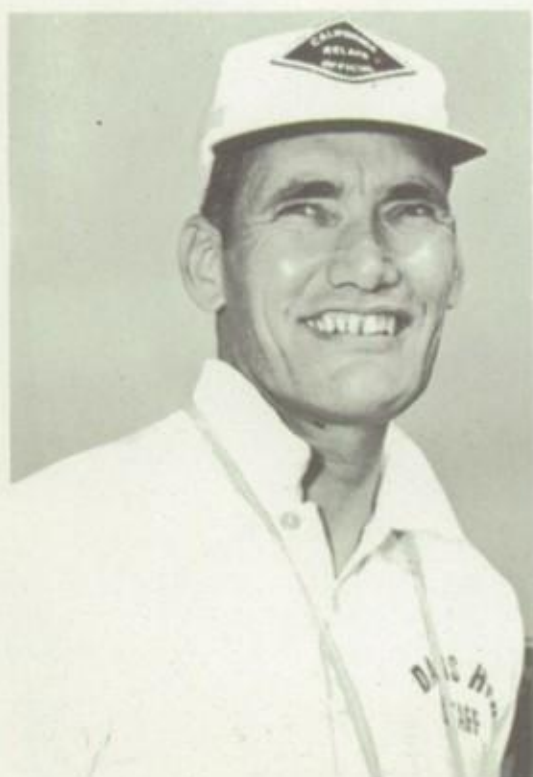

Tim Haley completes the butterfly leg of his medley against Lincoln.

Back Row: B. Bartlow, P. Stone, J. Decker, J. Lengyel, S. Heller, T. Belcher, R. Wise, M. Cox, B. Eredia, C. Foster, G. Rickher. Front Row: D. McMicken, J. Shield, F. Phelps, F. Cannizzaro, B. Peck, J. Walter.

CLARENCE FAUSKIN  
Head Coach

The Cross Country team put on a good show this years although they did not come up to their expectations. The Frosh-Soph team were crowned league champs but the varsity did somewhat poorer. Coach Fauskin gave a real boost to the team and helped them bring out their finer points. The team really had to put out due to the condition of the tracks as they were closer to swamps, pastures, and tidal flats. As one member put it, "Sometimes we feel like we're running through the Dismal Swamp". The run is a gruelling 2 to 3 miles and it takes stamina, hence only the better athletes could make the squad.

To my darling run-around partner! It's been so much fun this year. So happy we got to be the bestest of friends, and I'm sure it will always be that way. Boy, this summer will really be something, huh! We can do lots together. Okay! I'll never forget that night at D's party. Remember, that was so cool, you're a real good navigator. We have just had so many good times together. Maybe someday Lynne, F and B, you know what I mean. That would be great. Lynne, don't you ever change, it would be a shame to see a doll like you change.
